

FOCUS ON YOUR BUSINESS

with

Agenda

- Introductions
- What are common objectives/priorities of business owners?
- What are your priorities? Why?
- What is BoxIT? What could BoxIT mean for you?
- Any more questions?
- What's next?

You face many logistical challenges

staying on top of creditor accounts

keeping up with employee hiring, training, retention, & payroll

developing/maintaining new relationships with key vendors

generating new customers

making and maintaining a website

keeping up with paperwork

What are other business owners looking for?

harnessing control over the finances

having trustworthy and reliable employees

getting the work done

ensuring happy customers & tons of incoming work

running the operations efficiently & smoothly

What to focus on? Three key areas...

- More effectively reaching customers
- More intelligently handling finances
- More efficiently running operations

This is **why** we built **BoxIT**

we are a management consulting firm & digital agency

we help you...

develop strategies to reach your customers

get your finances in order, set you up for growth

streamline your daily operations, get you running faster
